MONTHLY HIGHLIGHTS

On December 11th, the Hemet Police Department proudly welcomed our two newest officers, Officer Michael Granche and Officer Zane Megard, following their graduation from the San Bernardino County Sheriff's Department Basic Academy.

The City of Hemet Youth Council visited the Hemet Police Department for a comprehensive station tour. During their visit, students explored the Dispatch Center, received an inside look at our temporary holding facility, and toured the Real-Time Information Center, where they learned how technology supports daily operations and enhances public safety in real time. We are grateful for the opportunity to connect with the next generation of community leaders.

On December 13, we were proud to host our annual Shop with a Cop event, an unforgettable day where 25 local children partnered with Hemet Police officers and explorers to shop for holiday gifts, build positive connections, and create lasting memories.

This special event was made possible thanks to the incredible support of our friends at the Hemet Walmart, the Elks Lodge for generously sponsoring breakfast for the kids, and the Hemet Police Officer Association for organizing and bringing this meaningful tradition to life.

On December 17th, the Hemet Police Department was honored to spread a little joy to the incredible healthcare workers of Hemet.
